

## Boonslick Technical Education Center

Agreement Signed 11/6/2012

Date Agreement Expires: 11/6/2014

### Auto Collision Technology

2.0      ACT 101      Basic Non-Structural Analysis & Damage Repair

---

2.0      ACT 102      Basic Refinishing Techniques

---

#### Secondary Course Requirements

\* Completion of the 2-year Auto Collision Repair program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Clinton Technical School

Agreement Signed 11/20/2012

Date Agreement Expires: 11/20/2014

### Automotive Technology

AMT 134

---

AMT 205

---

AMT 206

---

4.0      AMT 101      Automotive Electrical/Electronics I

---

#### Secondary Course Requirements

\* Completion of the Auto Mechanics 2-year program.

\* Student must receive a score of 75% or higher on the NATEF End-of-Program exam(s) administered by the secondary school's assessment center.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Clinton Technical School

Agreement Signed 11/1/2012

Date Agreement Expires: 11/1/2014

### Commercial Turf & Grounds Management

3.0          CTG 106          Fundamentals of Turf and Grounds

---

#### Secondary Course Requirements

\* Completion of Greenhouse Management and Plant Science.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Davis H. Hart Career Center

Agreement Signed 12/6/2012

Date Agreement Expires: 12/6/2014

### Medium Heavy Truck

3.0          MHT 130          Electrical and Electronic Systems

---

3.0          MHT 145          Engines I

---

3.0          MHT 160          Preventative Maintenance Inspection

---

3.0          MHT 200          Suspension and Steering

---

3.0          MHT 210          Brakes

---

3.0          MPT 165          Basic Welding

---

#### Secondary Course Requirements

\* Successful completion of the 2-year Diesel Technology Program.

\* Student must achieve a score of 75% or above on the LSTC Articulation Evaluative Exam on appropriate course material listed above.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work; LSTC credit will be awarded for a 3.0 GPA (grade of "B") or better in all articulated technical course(s).

\* Articulated credit must be utilized by enrollment at LSTC no later than the next fall semester following graduation.

---

## Excelsior Springs AVTS

## Excelsior Springs AVTS

Agreement Signed 1/29/2013

Date Agreement Expires: 1/29/2015

### Industrial Electricity

3.0 IEL 128 National Electrical Codebook

---

4.0 IEL 201 Industrial Wiring

---

#### Secondary Course Requirements

\*Successful completion of the Building Trades Course, potential LSTC course articulation IEL 128.

\*Successful completion of the electrical Trades course, potential LSTC course articulation IEL 201.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 1/3/2013

Date Agreement Expires: 1/3/2015

### Networking Systems Technology

3.0 NST 105 Systems Maintenance

---

3.0 NST 115 Operating Platforms

---

#### Secondary Course Requirements

\* Completion of the Computer Support program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Four Rivers Career Center

Agreement Signed 1/18/2013

Date Agreement Expires: 1/18/2015

### Auto Collision Technology

2.0 ACT 101 Basic Non-Structural Analysis & Damage Repair

---

2.0 ACT 102 Basic Refinishing Techniques

---

#### Secondary Course Requirements

\* Completion of Automotive Collision Repair I & II.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Four Rivers Career Center

Agreement Signed 11/29/2012

Date Agreement Expires: 11/29/2014

### Basic Welding for Non-Welding Majors

3.0 MPT 165 Basic Welding

---

#### Secondary Course Requirements

\* Completion of the AWS-SENSE approved welding program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 1/18/2013

Date Agreement Expires: 1/18/2015

### Commercial Turf & Grounds Management

3.0 CTG 106 Fundamentals of Turf and Grounds

---

#### Secondary Course Requirements

\* Completion of Ag. Science II and Landscaping Maintenance & Design.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 1/18/2013

Date Agreement Expires: 1/18/2015

### Machine Tool Technology

7.0 MTT 105 Precision Machining Practices I

---

#### Secondary Course Requirements

\* Successful completion of Machine Tool 1, Machine Tool 2, Machine Tool 3 and Machine Tool 4.

\* Student must pass a competency exam for each articulated course. This exam must be given by an LSTC faculty member.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Four Rivers Career Center

Agreement Signed 1/18/2013

Date Agreement Expires: 1/18/2015

### Networking Systems Technology

3.0 NST 105 Systems Maintenance

---

#### Secondary Course Requirements

\* Completion of the two-year Information Technology Program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Gibson Technical Center

Agreement Signed 6/20/2014

Date Agreement Expires: 6/20/2016

### Automotive Technology

4.0 AMT 101 Automotive Electrical/Electronics I

---

3.0 AMT 208 Automotive Braking Systems

---

3.0 AMT 209 Automotive Suspension and Steering

---

#### Secondary Course Requirements

- Completion of two years in a NATEF/ASE certified secondary program that includes NATEF's MAST standards and uses the MAST task list

- Cumulative high school GPA of at least 2.5

- Semester grades no lower than "B-" in the articulation technical classes

- Scores of 70% or higher on the NA3SA end-of-program exams in EACH area to be articulated

- Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring and summer semesters immediately following graduation

---

## Lamar Career & Tech Center

Agreement Signed 11/15/2012

Date Agreement Expires: 11/15/2014

### Business Systems Specialist

3.0 ACC 103 Accounting Principles I

---

#### Secondary Course Requirements

\* Completion of Accounting I and Accounting II.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Lamar Career & Tech Center

Agreement Signed 12/5/2012

Date Agreement Expires: 12/5/2014

### Computer Programming

3.0 CPP 101 Introduction to Microcomputer Usage

---

#### Secondary Course Requirements

\* Completion of Computer Applications I & II.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 10/17/2012

Date Agreement Expires: 10/17/2014

### Physical Therapist Assistant

1.0 ASC 110 Medical Terminology

---

#### Secondary Course Requirements

\* Completion of Medical Terminology.

\* The LSTC PTA department requires a cumulative grade point average of 2.75 (on a 4.0 scale) or better in all secondary academic course work (this is an exception to the 2.5 (on a 4.0 scale) cumulative grade point average LSTC requires per for all other articulation coursework); LSTC credit will be awarded for a 3.0 GPA (grade of "B") or better in all articulated technical course(s).

\* Articulated credit must be utilized by enrollment at LSTC no later than the next fall semester following graduation.

---

## Lebanon Technology & Career Center

Agreement Signed 2/18/2014

Date Agreement Expires: 2/18/2016

### Networking Systems Technology

3.0 NST 105 Systems Maintenance

---

#### Secondary Course Requirements

\* Completion of the Computer Information Systems I & II program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work; LSTC credit will be awarded for a 3.0 GPA (grade of "B") or better in all articulated technical course(s).

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring and summer semesters immediately following graduation

---

2.0          ACT 101          Basic Non-Structural Analysis & Damage Repair

---

2.0          ACT 102          Basic Refinishing Techniques

---

#### Secondary Course Requirements

\* Completion of the Collision Repair Technology program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 11/20/2012

Date Agreement Expires: 11/20/2014

### Automotive Technology

4.0          AMT 101          Automotive Electrical/Electronics I

---

AMT 134

---

AMT 205

---

AMT 206

---

#### Secondary Course Requirements

\* Completion of Auto Service Tech II.

\* Student must receive a score of 75% or higher on the NATEF End-of-Program exam(s) administered by the secondary school's assessment center.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Moberly Area Technical Center

Agreement Signed 11/1/2012

Date Agreement Expires: 11/1/2014

### Commercial Turf & Grounds Management

3.0 CTG 106 Fundamentals of Turf and Grounds

---

#### Secondary Course Requirements

\* Completion of Horticulture II and Landscape & Turf Management.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

3.0 CTG 106 Fundamentals of Turf and Grounds

---

#### Secondary Course Requirements

\* Completion of Agriculture Science II & one of the following: Horticulture, Advanced Horticulture, Greenhouse Management, or Turfgrass Management

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. STC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at STC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 12/12/2012

Date Agreement Expires: 12/12/2014

### Computer Programming

3.0 CPP 101 Introduction to Microcomputer Usage

---

#### Secondary Course Requirements

\* Completion of MOUS training. (This would count for any major at LSTC that requires CPP 101.)

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work; LSTC credit will be awarded for a 3.0 GPA (grade of "B") or better in all articulated technical course(s).

\* Articulated credit must be utilized by enrollment at LSTC no later than the next fall semester following graduation.

---

## Moberly Area Technical Center

Agreement Signed 2/14/2013

Date Agreement Expires: 2/14/2015

### Design Drafting Technology

3.0 DDT 183 Fundamentals of Computer Aided Drafting (CAD)

---

3.0 DDT 184 Advanced Applications of Computer Aided Drafting and Design

---

#### Secondary Course Requirements

\* Successful completion of Introduction to Engineering and Architectural Design potential LSTC course articulation(s): DDT 183

\* Successful completion of Computer-Aided Design Drafting I potential LSTC course articulation(s): DDT 183

\* Successful completion of Computer-Aided Design Drafting II potential LSTC course articulation(s): DDT 184

\* Student must pass a competency exam for each articulated course. This exam must be given by an LSTC Design Drafting faculty member.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 11/20/2012

Date Agreement Expires: 11/20/2014

### Electronics Engineering Technology

6.0 EET 126 DC/AC Circuit Analysis

---

2.0 EET 127 DC/AC Circuit Analysis Lab

---

#### Secondary Course Requirements

\* Completion of Electronics Tech II.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 4/26/2013

Date Agreement Expires: 4/26/2015

### Machine Tool Technology

7.0 MTT 105 Precision Machining Practices I

---

#### Secondary Course Requirements

\* Completion of the Machine Tool Tech II program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

## Moberly Area Technical Center

Agreement Signed 4/9/2013

Date Agreement Expires: 4/9/2015

### Mexico Nuclear Technology

4.0            MAR 125            Applied Electronics

---

#### Secondary Course Requirements

\* Successful completion of Electronics Tech II.

\* Student must pass a comprehensive MAR-125 exam at a 70% or better to receive articulation credit. This exam must be given by an LSTC Nuclear Technology faculty member.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work. LSTC credit will be awarded for technical classes where grades of "A" or "B" only are earned. These are not average grades.

\* Articulated credit must be utilized by enrollment at LSTC within 12 months of high school graduation. This includes the first fall, spring, and summer semesters immediately following graduation.

---

Agreement Signed 12/5/2012

Date Agreement Expires: 12/5/2014

### Networking Systems Technology

3.0            NST 105            Systems Maintenance

---

3.0            NST 115            Operating Platforms

---

#### Secondary Course Requirements

\* Completion of the Computer Information Systems I & II program.

\* Student shall have a cumulative grade point average of 2.5 (on a 4.0 scale) or better in all secondary academic course work; LSTC credit will be awarded for a 3.0 GPA (grade of "B") or better in all articulated technical course(s).

\* Articulated credit must be utilized by enrollment at LSTC no later than the next fall semester following graduation.
