PowerUp

TIME FOR DONUTS!!!
State Tech's PowerUp and Total Eclipse Watch Party!

This year, PowerUp was the same day as the Total Solar Eclipse. Students, and guests from across the country made their way to campus to look up at the sky and watch history in action!

For new students, PowerUp enables them to meet new friends, get to know their programs and see what State Tech is all about!
State Tech hosted its annual Family Day where families were invited to campus to see their students in action and to become a State Tech Eagle for one day!
Mr. Eagle!
