THE
EMPLOYERS'
CHOICE

\$65,130*
**AVERAGE
EARNINGS**

Degree Offered

- Associate of Applied Science

Potential Employers:

- Hospitals
- Physician Clinics
- Long-Term Care Facilities
- Surgical Centers

Program Highlights:

- Includes clinical sites, such as hospitals, clinics, and long term care facilities within Jefferson City and the surrounding areas.
- Educates students to apply for the NCLEX-RN certification.
- 99% placement rate.

I graduated from State Tech's LPN program and it was such a great experience that when I heard the school had started an RN program, I knew I had to get on board. The new lab is so big and well equipped that it feels like I really get to apply the things I learn in the book.

- Haley Bartlet
