Commencement
May 8, 2010

Over 270 graduates participated in the LSTC Commencement May 8. With an increase of graduating students and family members, two ceremonies were held at the LSTC Activity Center.
Commencement
May 8, 2010

Commencement speaker Forrest Brown, a 1971 Auto Mechanics Technology graduate, spoke on how the training graduates receive at LSTC gives them the skills and abilities that will make an impact on their community. "The work for which you are trained is useful and meaningful."

* Resident Government Association Member
* 59 hours of volunteer service
Thirty-three LSTC Advanced Technology Center graduates received their diploma at a recognition ceremony on May 15. Guest speaker, Amir Shahkarami, Exelon Nuclear, expressed his congratulations to the graduates during his speech.
Students kicked off the year with Power Up and the Week of Welcome. The Resident Housing party proved a success with towel volleyball, pie your RA, and a water balloon fight.
Other activities included a barbeque, ice cream social, and local business fair. Students entered drawings for a tv, a GPS system, gas cards, or gift certificates to local businesses. Michael Jaegers (CPP2) won the flat screen tv.
LSTC Family Day presented an opportunity for families to visit campus and experience first-hand a “day in the life” of their student.
Families attended technical classes, interacted with instructors, and heard an overview of the college provided by President Donald Claycomb.
Over 500 students attended the 2010 annual LSTC Job Fair. Students learned about jobs in their fields from over 40 companies searching for new employees.
Some of the companies that attended were Peterbuilt, Sabreliner, Areoflex, MoDot and Apac. Students distributed their resumes, networked, and interviewed for potential jobs.
Over 150 awards were presented by faculty and staff to honor students for their hardwork and dedication to LSTC. Many students were presented multiple awards.

15 students attended the National SkillsUSA Leadership and Skills Conference June 21-25. Students competed in Collision Repair Technology, Automated Manufacturing, Internetworking, and more.
Hard work and dedication paid off for Powersports Technology student Freeman Fitzgerald. Fitzgerald brought home a national bronze medal in Motorcycle Service Technology.
The Home Builders Association (HBA) made big changes this year to their club. They went from the Drafting Club to being sponsored by the Central Missouri Home Builders Association. Members also took a trip to see architecture in Chicago.
The Career Ready Club hosted many events for its members this year including a dinner etiquette session, red ribbon week and a blood drive. Members can learn about job hunting skills, resume assistance and much more.
Phi Theta Kappa (PTK) inducted 83 new members this year. PTK was honored as a "One Star Chapter". The chapter was recognized at the annual convention and will be highlighted on the PTK website.
The Physical Therapist Assistant Club (PTA) was involved in many activities throughout the year including Capital Region Medical Center 5k Run/Walk, Halloween costume contest and many learning opportunities.
The APWA/AGC student chapter was busy this year with fieldtrips and service projects. Members had the opportunity to see the new construction of a prison, tour a concrete plant and a waste water treatment facility.
The Veterans Club sponsored the annual Veterans Day celebration at LSTC. Staff Sergeant Dwight McDonald spoke to local veterans about the importance of veteran organizations and how they help veterans.
The Student Government Association provided students a couple of fun filled nights at the Activity Center with Bongo Ball. Students shot nerf footballs at each other from air cannons.
The Home Builders Association Student Chapter held a Texas Hold'em tournament for students. Students competed to win prizes and show off their hold'em skills.
The Career Ready Club brought new ideas in student entertainment this year with the LSTC's Got Talent competition. This year's winners were:

1st - Turboshaft
2nd - Catalina Winer Mixer
3rd - Ain't Nothing But A Thing
The Physical Therapist Assistant Club provided students the opportunity to win big prizes at LSTC Bingo Night. Students had the chance to win a TV, bag chairs, radios, tools and much more.
