*The Aspen Institute selected Linn State Technical College as one of the 120 best community colleges in the nation.

*Tony DeBoeuf, Powersports Technology and Electric Power Generation Technology Department Chair, received the 2012 Governor’s Award for Excellence in Teaching.

*Linn State Technical College is collaborating with the Missouri Health Professions Consortium to develop and deliver instruction, education, and training for Missouri’s health-related workforce. The Consortium will establish relationships with hospitals, businesses, and industry to enhance the economy and workforce training and education within regions of Missouri.

*Linn State Technical College hosted the 2011 Missouri State Postsecondary Agricultural Student (PAS) Conference.

*In September, LSTC received a U.S. Department of Labor Trade Adjustment Assistance Community College and Career Training Grant, as a subcontractor, called the MoHealthWINs grant in September 2011.

*Bruce Meffert, Nuclear Technology Department Chair, recently passed the Certified Health Physicist Exam Part I and Part II. The American Board of Health Physics (ABHP) offered him membership to be a Certified Health Physicist.

*Linda Franchini, Electronics Engineering Technology Instructor, is serving as a consultant to Dr. Steve Hsiung, Professor of Engineering Technology at Old Dominion, on his project titled “Dissemination of Microprocessor Courses through Classroom and Interactive Cyber-Enabled Technologies”.

*The Design Drafting Technology program received certification on January 24, 2012 through August 31, 2012 at the Design Drafter Level.

*Marlene Medin, Physical Therapist Assistant Department Chair, received the Missouri Physical Therapy Association Outstanding Service Award in Education.

*The Automotive Collision Technology program as of March 15, 2012 continues to meet the requirements for the National Automotive Technician Education Foundation (NATEF) Master Accreditation - the highest level of achievement recognized by NATEF.
*On November 15, 2011, Central Methodist University (CMU) and Linn State Technical College signed a formal agreement allowing students, alumni, citizens of Linn and the surrounding communities the opportunity to earn a baccalaureate degree. The agreement provides students who have earned an Associate of Applied Science degree at LSTC the opportunity to complete a Bachelor of Applied Science in Management or a Bachelor of Science in Interdisciplinary Studies-Entrepreneurship Emphasis from CMU and LSTC’s main campus in Linn, MO.

*Nick Straatmann, Communications instructor, was one of the 30 finalists from an original field of more the 22,000 applicants to compete for the opportunity to be in the 2012 MLB Fan Cave in New York.

*In 2011-2012, the Business and Industry Department secured $822,308 in customized training grants for 27 area companies.

A record 303 graduation candidates participated in the 48th annual commencement ceremonies on Saturday, May 5, 2012.
Commencement speaker, John Scheulen, a 1976 Aviation Technology graduate, encouraged graduates to continue their education after LSTC. "Take advantage of all company training, get additional credentials, and get involved in professional organizations. All these things will further you in your career."
President's Award Recipient:
Steve Polyak
Construction & Civil Technology
Design Drafting Technology
Dean's List
Resident Assistant
American Public Works Association Student Chapter
Associated General Contractors Student Chapter
Student Government Association
Resident Government Association
Over 280 Volunteer Hours
28 LSTC Advanced Technology Center candidates participated in the 2012 Recognition Ceremony. Guest speaker, Nathan Hogue, LSTC alumni and representative from the University of Missouri Research Reactor Center, shared his advice with the candidates.
Power UP and the Week of Welcome helped students familiarize themselves with the campus, meet their instructors, and other students.
Week of Welcome activities included a resident party, donuts, the annual ringing of the bell, Student Government Association Kick Off event, and more. All events were free to students.
LSTC hosted the 6th annual Family Day where families were invited to campus to join their student in action. The popular event allowed student's biggest fans to participate side-by-side and become an LSTC Eagle for a day.
Families watched their students perform their new skills, met instructors, and provided much needed support.
57 companies such as Peterbilt, Explorer Pipeline, Fabick CAT, CenturyLink, and Ameren Corporation attended the LSTC Job Fair.
Over 495 students attended the job fair looking for jobs, internships, and networking possibilities.
Students distributed their resumes and set-up interviews with potential employers. Many students secured jobs by attending the LSTC Job Fair.
Over 220 awards were presented to deserving students at the annual Awards Ceremony. Students were honored for their leadership, skills, knowledge, and dedication to LSTC and to the local community.
Recipients received awards for student volunteer hours, Outstanding Student, Student Government Association officer, Outstanding Work-Study, Technical Tutor, Geek Force Award, and many more.
Outstanding Students
Automotive Collision Technology - Jalen Henchey
Automotive Technology - General Option - Dustin Simmons
Automotive Technology - Light-Duty Diesel - Dalton LeNoir
Automation & Robotics Technology - Daniel Howe
Aviation Maintenance - Carey Sager
Aviation Maintenance - Airframe - Steven McCord
Aviation Maintenance - Powerplant - William Douglass
Commercial Turf & Grounds Management - Alex Huetten
Computer Programming - General Option - James Scurlock
Computer Programming - Web Design Option - Jason Whitworth
Construction & Civil Technology - James Whiston
Design Drafting Technology - Dewey Dumsday
Electrical Distribution Systems - Eric Peeper
Electronics Engineering Technology - Matthew Rustemeyer
Electronics Engineering Technology - Biomedical Engineering Tech Option - Brandon Fannon
Heating, Ventilation, & Air Conditioning Technology - Shelby Nichols
Heavy Equipment Operations - Connor Crobsy
Heavy Equipment Technology - Cory Altemueller
Heavy Equipment Technology - CAT Dealer Service Technician Option - Wesley Jones
Industrial Electricity - Programmable Logic Controllers and Construction Emphasis - Justin Seay
Machine Tool Technology - Michael (Ray) Johnson
Management Information Systems Specialist - Amy Lynn Otto
Management Info Systems Specialist - Automated Accounting Systems Option - Amy Mitchell
Medium/Heavy Truck Technology - Jeremy Raney
Networking Systems Technology - Christopher Funicelli
Networking Systems Technology - Telecommunications Option - Amanda Green
Nuclear Technology - Instrumentation and Control Option - Joshua Dominick
Nuclear Technology - Radiation Protection Option - Hunter Sayers
Nuclear Technology - Reactor Operations Option - Bobby Graves
Physical Therapist Assistant - Joshua Nickell
Physical Therapist Assistant - Expansion Locations - Leigh Ann Collins
Welding Technology - Sam Kremer
Representing the student body in all facets of college life, the Student Government Association (SGA) organized intramurals, hosted the Holiday Luncheon, and sponsored many activities throughout the year.

2011-2012 Student Government Officers
Tanner Eisenbath - President
Ethan Lee - Vice-President
Garett Jeffries - Secretary
Brandon Fannon- Treasurer
Kaleb Loughary - Parliamentarian
Randy Moore - Intramural Director
2012-2013 Student Government Officers

Jordan Staley - President
Ezra Piper - Vice-President
Christian Baker - Secretary
Jennifer Goodman - Treasurer
Garrett Donavant - Parliamentarian
Colter Cantrell - Intramural Director
Students involved in SkillsUSA had the opportunity to show their knowledge and skills at the Missouri State Leadership and Skills Conference. Members who won 1st place in their contest represented LSTC at the National SkillsUSA Leadership and Skill Conference in June.
11 SkillsUSA members attended the National Leadership and Skill Conference. Students competed in their contest, helped with community service, attended a Kansas City Royals game and much more. Jordan Kleffner (Heating, Ventilation, & Air Conditioning Technology) won gold in the Plumbing contest. Ethan Lee (Machine Tool Technology) won silver in Precision Machining and Alex Thompson (Automotive Technology) won silver in Extemporaneous Speaking.
The purpose of Phi Theta Kappa shall be to recognize and encourage scholarship among two-year college students. The LSTC Phi Theta Kappa chapter inducted 35 new members this year, attended educational conferences, and completed community service events.
The Home Builders Association (HBA) Student Chapter attended the International Builder Show and Residential Construction Management Competition in Orlando, Florida. The students received the "Rookie of the Year" award and advisor, Aaron Kliethermes, received the Outstanding Junior Faculty Advisor award.
Linn State was selected to host the Missouri State Postsecondary Agriculture Conference. Ten students qualified for the National Postsecondary Agriculture Conference in Des Moines, Iowa. Brittany Marshall placed 2nd in the Landscape/Nursery Employment Interview.
The Veterans Club hosted the annual Veterans Day celebration. Sgt. Ralph Kalberloh shared his memories of his military service with local and student veterans. Each year LSTC honors our veterans with an assembly in the ITC Rotunda.
The Student Government Association provided the Real Deal Crazy Game Show for students. The lucky participants were challenged with balloon-popping games, cup-stacking contests, dress-up races, and much more for cash prizes.

Real Deal Crazy Game Show
The Career Ready Club hosted LSTC's Got Talent where students performed various entertaining acts. Michael Johnson (Automotive Technology) wrote and performed the winning act with his brother.
Student Government Association (SGA) held Bongo Ball Mania in the Fall semester. The free event had teams of students competing against each other in hopes to be the last one standing.
The SkillsUSA Student Chapter held a car bash to help increase student interest in SkillsUSA. Students had the opportunity to "bash" the car with sledgehammers and release some stress before finals.
The annual LSTC Casino Night was hosted by the Electricity Club. Students played black jack, texas hold'em, roulette, and more to have a chance to win great prizes including a blue-ray player, CD's, fishing poles, and much more.
Resident Government Association (RGA) held Midnight Bowling at Rainbow Lanes for all students. Students bowled free for a couple of hours, had the opportunity to win door prizes, and enjoyed time with friends.
Students enjoyed an evening of mini golf at Turkey Creek Golf Center hosted by the Physical Therapist Assistant Club.
The Electricity Club hosted a Skeet Shoot at the Scrivner Road Conservation Area where the students practiced their shooting and safety procedures right before turkey season.
In honor of the college's 50th Anniversary, the Student Government Association provided an interactive Intensity Game Show. The trivia-based game show kept students and staff on their toes.
The Student Government Association hosted two student golf tournaments at the Osage Country Club. Commercial Turf & Grounds Management students, Will Register and Zach Beamer, won the first tourney. Industrial Electricity students, Will Ransdell and Jake Miller won the second tourney.
Slow-Pitch Softball Champions
