About the Scholarship
Altec Industries is partnering with State Technical College of Missouri, one of the most highly rated technical colleges in the country. The Altec Technician Scholarship helps students earn an AAS degree. Through classroom and hands on education, students learn to troubleshoot, repair and service equipment used to build and maintain utility lines.

Hands On Education
You’ll become an expert in:
- Electrical systems
- Hydraulic systems
- Computer diagnostics
- Following safety, environment and workplace guidelines
- Chassis: inspection, diagnostics and repair

Program Details
Recipients of the scholarship will not only receive funding to help pay for expenses, but also learn the skills needed to enjoy a rewarding and successful career at Altec Industries.

In addition to learning in the classroom, the Altec Technician Scholarship includes a 16 week paid internship where you will work side-by-side with seasoned technicians at an Altec service center or with an Altec mobile service technician.
Our Mission
The mission of the Altec Technician Scholarship is to prepare individuals for a rewarding and successful career at Altec Industries as high-quality, entry-level technicians within the Altec Service Group.

Altec Locations
The Altec Service Group has service centers located throughout the United States and Canada and an extensive fleet of mobile service vehicles and technicians nationwide. Visit us online to find a location near you.

How to Apply
In order to be eligible for consideration for this scholarship, you must:

- Apply and be accepted into State Technical College of Missouri
- Complete a FAFSA application to apply for all federal and state assistance
- Apply to the Altec Technician Scholarship Program by the agreed upon deadline.
