Been There
Linn Technical College
1994
Done That
ALWAYS INVOLVED

College is a new experience for everyone, regardless if they are straight out of high school or coming from another career.

At Linn Tech, we all get a chance to be involved - that includes life, academics, and recreation.

Once you've completed a year at Linn Tech, you can definitely say BEEN THERE, DONE THAT!
Welcome Back Bash

BEEN THERE
LINN TECHNICAL COLLEGE
1994
DONE THAT

4 Welcome Back Bash
ALWAYS
Welcome Back Bash initiates all newcomers to life at Linn.

It's a barbeque and old fashioned games like tug-a-war, obstacle courses, and even a hay bale relay. Mostly it is a way to develop the family of Linn Tech so everyone feels like a part of the group.

When the evening is over, you've earned the right to say

BEEN THERE, DONE THAT!
Always

Studies keep most of the students busy but during those slack times - or the times when studying just doesn't seem important - there are always ways to entertain yourself.

The class day is always full and the faculty and fellow students are supportive so that everyone gets along.

Before you know it, you're ready to leave so you can say

Been There, Done That!

BEEN THERE DONE THAT

Linn Technical College 9
Aviation Club/Halloween Dance

BEEN THERE

LINN TECHNICAL COLLEGE

DONE THAT

10 Aviation Club/Halloween Dance
Halloween Dance brought out the best in ghoulish goblins and wicked witches

AVIATION CLUB
Spending time between classes became a career for some of the students at LTC.
Touring Callaway Nuclear Plant was just one of many shocking experiences for the Electric Club.
From Brackenridge to billiards, Student Government tries to entertain everyone
Dance promoters broke up the routine with Christmas and End of Year bashes

PHI BETA LAMBD A
Float building wasn't their only interest but they did a fabulous job on this one.
Straight out of high school or coming from another career, LTC meets all needs
While we try to prepare for life, we have not forgotten that sometimes you need a break.

Jack Light retires from Linn Technical College. He spent 30 years teaching mathematics. Congratulations Jack!
Thank you to everyone who contributed to the 1994 Yearbook, especially Dana Deeken, Stacey Nilges, Shawn Jarvis and Melissa Overkamp.
It was another great year, filled with memories and experiences that will last us the rest of our lives.
