Visitor Guidelines

State Tech asks visitors to practice the following guidelines while on campus. All visitors to the campus are asked to comply with social distancing, hygiene, self-monitoring, and symptom checking.

Visitors will practice the following guidelines:

- Visitors will self-monitor before visiting.
- Visitors while on campus will social distance, meaning each person must remain at least 6 feet from others.
- Visitors will wear face masks when in certain Scenarios (Scenarios 3-5).
- Visitors can verbally greet anyone on campus, no-handshake practice is preferred.
