LINN, MO

DRAFTING & DESIGN

ENGINEERING TECHNOLOGY

THE
EMPLOYERS'
CHOICE

\$57,090*
AVERAGE
EARNINGS

Degree Offered

- Associate of Applied Science

Potential Careers:

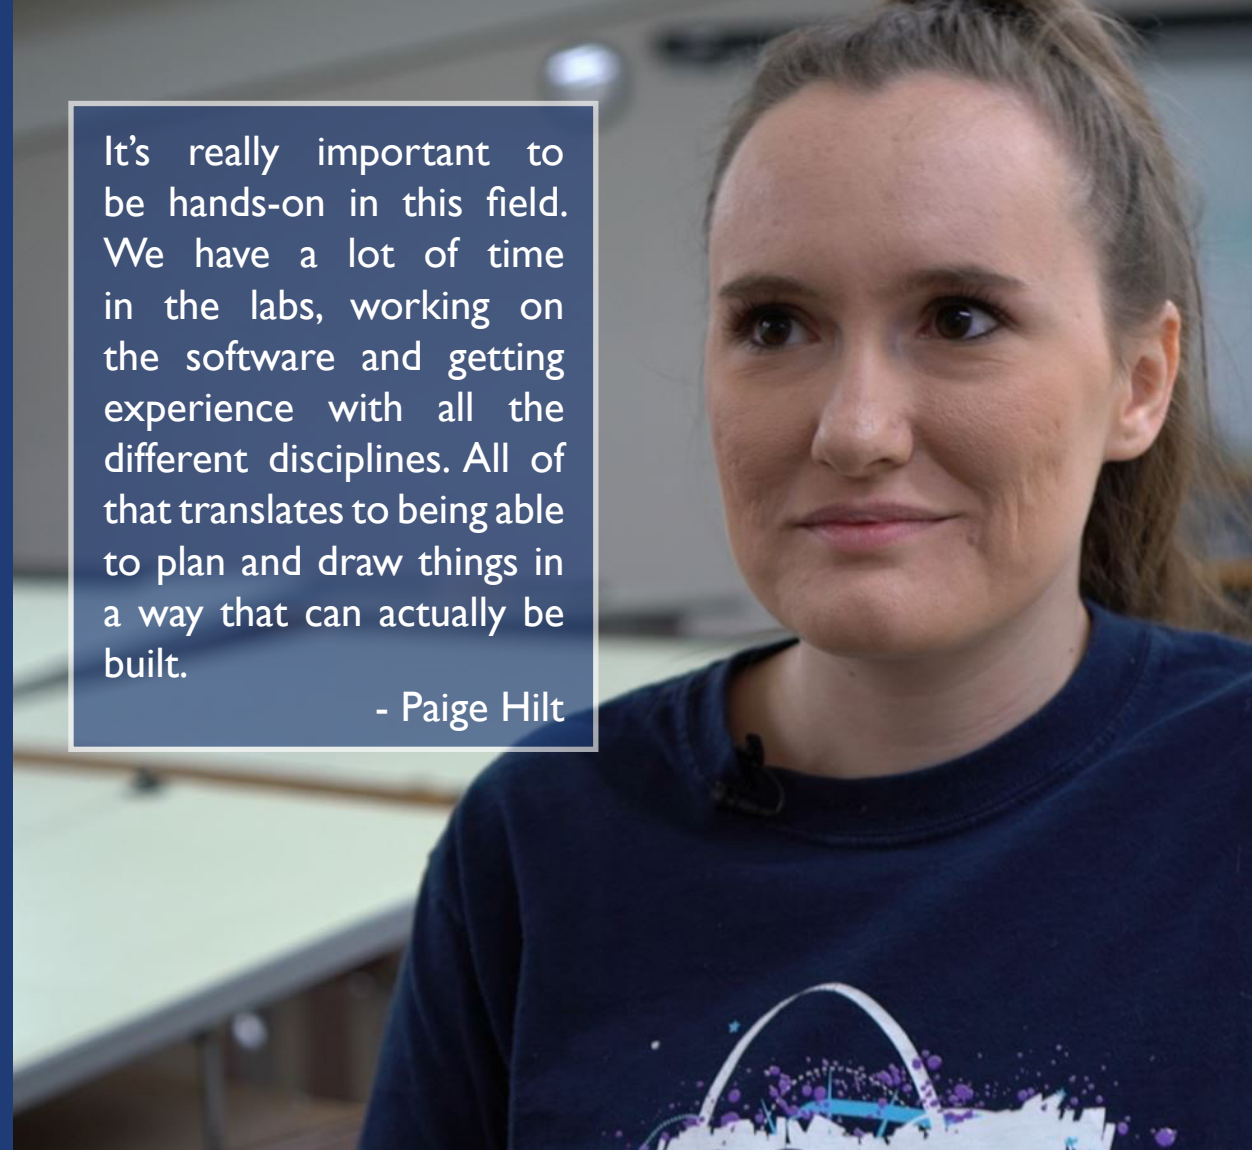

- Engineering Technician
- Mechanical Designer
- Civil Drafter
- Electrical Designer
- Architectural Drafter
- Steel Detailer

Program Highlights:

- Features sophisticated Computer Aided Drafting (CAD) and hands-on labs complete with the software to help you master the skills needed to start a career.
- Study mechanical, architectural, civil, structural, and electrical design.

It's really important to be hands-on in this field. We have a lot of time in the labs, working on the software and getting experience with all the different disciplines. All of that translates to being able to plan and draw things in a way that can actually be built.

- Paige Hilt
