

Student Code of Conduct

Reason for Policy and Procedure

State Technical College of Missouri is an academic community built on the principles of mutual respect, integrity, and honesty. The College strives to provide a community wherein individuals have the right to express their opinions and ideas, to assemble peacefully, and to associate freely in a manner that does not interfere with the rights of others and is in the confines of intellectual honesty. In order to thrive as an educational institution, the college has adopted this Student Conduct Code ("Student Code") to promote and preserve its educational mission for the benefit of all who are invited to be a part of the community.

It is in the best interest of the College and all those who are students, or who may desire to become students at the College, that the disciplinary procedure be defined. This document prescribes procedures to be followed in disciplinary cases in order that cases may be handled in a timely manner while serving the interests of the college community and safeguarding the rights of all students. Administrative responsibility for the establishment and enforcement of policies governing non-academic student conduct and disciplinary action has been delegated by the State Tech President to the Vice President for Student Affairs. The Vice President has in turn, delegated considerable authority for the establishment of rules and handling of violations to Student Conduct Administrators and other bodies as designated in this procedure.

The Student Conduct Code will apply to conduct that occurs on College premises, at College-sponsored activities, and to off-campus conduct, including, but not limited to, activities on College partners' premises, or in cyberspace which adversely affects the College community and/or the pursuit of its objectives. Each student will be responsible for his/her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). The Student Conduct Code applies to a student's conduct even if the student withdraws from school while a disciplinary matter is pending.

2. College disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Vice President for Student Affairs or designee. Determinations made or sanctions imposed under this Student Code will not be subject to change because criminal charges arising out of the same facts giving rise to violation of college rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

and #3 in the nation by Forbes

3. When federal, state, or local authorities with a violation of law charge a student, the College will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under the Student Code, the College may advise off-campus authorities of the existence of the Student Code and of how such matters are typically handled within the college community. The College will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (if the conditions do not conflict with campus rules or sanctions). Individual students and other members of the college community, acting in their personal capacities, remain free to interact with governmental representatives, as they deem appropriate.

Student Conduct Code Procedures

A. Charges and Student Conduct Hearings

1. Any person may file charges against a student for violations of the Student Conduct Code. A charge should be prepared in writing and directed to the Vice President for Student Affairs or designee. Any charge should be submitted as soon as possible after the event takes place, preferably within one calendar year. With respect to any complaint that is 1) by a person who is not a member of the college community, and 2) relating to non-college conduct, the College reserves the right to determine, in its sole discretion, whether the conduct described in the complaint constitutes a sufficient risk to the college community to warrant processing the complaint.

2. The Vice President for Student Affairs or designee may conduct an investigation to determine if the charges have merit. If the respondent elects to acknowledge his or her actions and take responsibility for the alleged misconduct, the Vice President for Student Affairs will propose a resolution to the complaint and a sanction. If the respondent agrees to the proposed sanction, the complaint is resolved without a hearing and without any further rights of appeal. If the respondent objects to the proposed sanction, the Vice President or designee will work toward an informal resolution that both the complainant and the respondent agree in writing to (mutual consent) the sanctions.

If the charges are not admitted to and/or cannot be disposed of by mutual consent, the Vice President for Student Affairs or designee will conduct an administrative hearing except if the complaint may result in suspension or expulsion. Complaints that may result in a sanction of suspension or expulsion will be disposed of through a Student Hearing. All other cases will be disposed of through an administrative hearing conducted by the Vice President for Student Affairs or designee.

3. Complaints alleging conduct that includes sexual harassment and other forms of sexual misconduct will be handled according to the rules and procedures described in the Title IX Policy for Sexual Harassment policy and the applicable sections of this policy.
4. All charges will be presented to the respondent in written form. A time will be set for an administrative hearing or Student Hearing that ensures a prompt and equitable resolution, not less than 5 nor more than 30 business days after the respondent has been notified. A Student Hearing may be extended at the discretion of the Vice President for Student Affairs. Written notification to the Respondent will include:
 - a) the alleged conduct violation;
 - b) name of the person who is alleging the conduct violation
 - c) a summary of the specific allegations;
 - d) the time, date, and place of the hearing;
 - e) the name(s) of the Vice President for Student Affairs, designee, or Student Hearing Decision-Maker, who will hear the case;
 - f) the potential disciplinary sanctions; and
 - g) the related procedures outlined in The Student Conduct Code Procedures section.

Like notice will also be provided concurrently to the Complainant.

5. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code proceedings.
6. Students accused of violating the Student Conduct Code are presumed to be innocent until proven guilty.
7. The determination of whether or not a violation of the Student Conduct Code occurred will be made on the basis of whether it is more likely than not that the Respondent violated the Student Conduct Code. This is more formally referred to as the, "Preponderance of the Evidence Standard."
8. The Vice President for Student Affairs or designee will notify the Respondent and the Complainant of the outcome of the proceeding in writing within ten business days of completion of the student conduct proceeding.

Ranked #1 in the nation by WalletHub
and #3 in the nation by Forbes

9. If an Respondent, with notice, does not appear for the proceeding, the information in support of the charges will be presented and considered even if the respondent is not present.

10. A conduct violation that may not result in the sanction of suspension or expulsion will be resolved through an administrative proceeding with the Vice President for Student Affairs or designee. The Vice President for Student Affairs or designee will determine if a violation occurred and will issue appropriate sanctions.

11. An alleged violation of the Student Conduct Code in which the respondent contests responsibility and that may result in the sanction of suspension or expulsion will be resolved through a Student Hearing proceeding according to the following guidelines:
 - a. Hearings will be conducted in private.
 - b. The Student Hearing Decision-Maker will be appointed by the Vice President to serve as the hearing decision-maker.
 - c. The Complainant, Respondent and their advisors, if any, will be allowed to attend the entire portion of the Student Hearing meeting at which information is received. Admission of any other person to the Hearing meeting will be at the discretion of the Student Hearing Decision-Maker.
 - d. In hearings involving more than one Respondent, the Vice President for Student Affairs, in his or her discretion, may permit the Student Hearing proceeding (s) concerning each student to be conducted either separately or jointly.
 - e. The Complainant and the Respondent have the right to challenge the Student Hearing Decision-Maker on the grounds of prejudice. This challenge, with the reasons for the challenge, must be submitted in writing to the Vice President for Student Affairs at least two business days prior to the hearing. The Vice President for Student Affairs or designee will determine if the officer will sit on that case. If the challenge is upheld, the Vice President for Student Affairs or designee will select another member of the student conduct team to serve as Hearing officer for the meeting.
 - f. The Complainant and the Respondent have the right to be assisted by an advisor of their choice. If a student is not able to secure an advisor, the college will provide one at no cost. The Complainant and/or the Respondent is responsible for presenting his or her own information, and therefore, advisors are not permitted to speak or to participate directly in any Student Conduct Hearing before a Hearing Officer. However, advisors are encouraged to speak with their advisee throughout the proceedings to assist them in asking relevant questions. The participants should select as an advisor a person whose schedule allows

Ranked #1 in the nation by WalletHub
and #3 in the nation by Forbes

attendance at the scheduled date and time for the Student Hearing proceeding because delays will not normally be allowed due to the scheduling conflicts of an advisor.

g. The Complainant, the Respondent, Vice President for Student Affairs or designee, and the Student Hearing Decision-Maker may arrange for witnesses to present pertinent information to the Student Hearing. The College will try to arrange the attendance of possible witnesses who are members of the college community, if reasonably possible, and who are identified by the Complainant and/or Respondent at least two weekdays prior to the Student Hearing proceeding. Witnesses will provide information to and answer questions from the Student Hearing Decision-Maker.

h. Questions may be suggested by the Respondent and/or Complainant to be answered by each other or by other witnesses. This will be conducted by the

Student Hearing Decision-Maker, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received will be resolved in the discretion of the Student Hearing Decision-Maker.

i. Pertinent records, exhibits, and written statements may be accepted as information for consideration at the discretion of the Student Hearing Decision-Maker.

j. All procedural questions are subject to the final decision of the Student Hearing Decision-Maker.

k. After the portion of the Student Hearing concludes in which all pertinent information has been received, the Student Hearing Decision-Maker will determine whether the Respondent has violated each section of the Student Code of which they have been accused.

l. There will be a single verbatim record, such as a recording or transcript, of all Student Hearing proceedings before a Student Hearing Decision-Maker. The recording or transcript will be the property of the college.

m. The Student Hearing Decision-Maker may accommodate concerns for the personal safety, flexibility of schedules, well-being, and/or fears of confrontation (of the Complainant, Respondent, and/or other witness/advisors) during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, or other means, where appropriate.

matter has completed course registration. Delayed registration is for a specified number of semesters or may be required until the complainant or other involved student(s) graduate.

2. More than one of the sanctions listed above may be imposed for any single violation.
3. (a) Disciplinary sanctions will not be made part of the student's permanent academic record but will become part of the student's disciplinary record.

(b) The outcome of any code of conduct investigation becomes a part of the disciplinary record of both the complainant and the respondent.
4. The following sanctions may be imposed upon groups or organizations:
 - a. Those sanctions listed above in article (B)(1)(a)–(n).
 - b. Loss of selected rights and privileges for a specified period of time.
 - c. Deactivation-loss of all privileges, including college recognition, for a specified period of time.
5. In each case in which a Student Hearing Decision-Maker or Student Conduct Administrator determines that a student and/or group or organization has violated the Student Code of Conduct, the sanction(s) will be determined and imposed by the Vice President for Student Affairs or designee with the exception of cases involving sexual misconduct, in which case the Title IX Hearing Officer/Decision-Maker will issue any sanctions.

C. Interim Suspension

In certain circumstances, the Vice President for Student Affairs or designee may impose an interim suspension prior to the disposition of a student conduct proceeding.

1. Interim suspension may only be imposed:
 - a. to ensure the safety and well-being of members of the college community or preservation of College property;
 - b. to ensure the student's own physical or emotional safety and well-being; or
 - c. if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the College.
2. During the interim suspension, a student will be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Vice President for Student Affairs or designee may determine to be appropriate.

Reasonable accommodations will be made for the student to continue their education through alternative course delivery methods during the interim suspension.

3. The interim suspension does not replace the regular process, which will proceed on the normal schedule, up to and through an Administrative or Student Hearing proceeding, if required. However, the student should be notified in writing of this action and the reasons for the suspension. The notice should include the time, date, and place of a subsequent hearing at which the student may show cause why his or her continued presence on the campus does not constitute a threat and at which they may contest whether a campus rule was violated.

D. Appeals

1. The decision of the Student Conduct Administrator, designee, or Student Hearing Decision-Maker including sanctions imposed may be appealed by the Respondent(s), the Complainant(s) or both to the Vice President for Student Affairs or designee within five business days of the decision. Such appeals will be in writing and will be delivered to the Vice President for Student Affairs or his or her designee. The Vice President or designee will determine if the decision and/or sanctions imposed will be stayed pending the outcome of the appellate decision.

2. Except as required to explain the basis of new information, an appeal will be limited to a review of the verbatim record of the student conduct hearing and supporting documents for one or more of the following purposes:

- a. To determine whether the Student Hearing proceeding was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
- b. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code of Conduct, which the student was found to have committed.
- c. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original hearing.

3. The Vice President for Student Affairs may affirm, reverse, or modify the decision regarding the violation and/or sanctions imposed. The appeal decision of the Vice President is the final decision of the college, and no further appeals are permitted under this policy.

4. All parties will be informed of whether the grounds for an appeal are accepted and the results of the appeal decision.
