REQUEST FOR PROPOSAL (RFP) FOR INDEPENDENT AUDIT SERVICES

STATE TECHNICAL COLLEGE OF MISSOURI

January 4, 2021
A. General Information

State Technical College of Missouri (the College) is requesting proposals from qualified firms of independent certified public accountants to perform audit services for the fiscal years ending June 30, 2021 through June 30, 2025. The audits are to be performed in accordance with U.S. generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants.

The due date of the proposal is February 4, 2021 3:00 PM.

The College reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the firm of the conditions contained in this RFP, unless clearly and specifically noted in the proposal submitted, and confirmed in the contract between the College and the firm selected.

The proposing firms are hereby advised that all proposals and the information contained in or related thereto shall be open to public inspection and that the College does not guarantee nor assume any responsibility whatsoever in the event that such information is used or copied by any individual person(s) or organization. Therefore, the firm must submit proposal based on such conditions without reservations.

B. Background

1. The College became a political subdivision of the State of Missouri in 1996 and is Missouri’s only state technical college. The College is located in Linn, MO with one additional program in St. Charles, MO. Enrollment is approximately 1,950 students.

2. The College is governed by a 7-member board (currently 2 vacancies) that is appointed by the Governor of Missouri.

3. The fiscal year runs from July 1 through June 30.

4. The most recent audited financial statements can be obtained on the College website at: https://www.statetechmo.edu/facts/

5. The College uses Jenzabar software for most accounting functions, including general ledger, student billing, and accounts payable.

6. Employee payroll processing transitioned from Jenzabar to Paycor in October 2020.

7. The Unrestricted General operating budget for fiscal year ending June 30, 2021, is approximately $23 million.
8. The College has approximately 180 full-time and 30 part-time employees on its payroll. The College issues approximately 5,000 accounts payable checks each year. A significant amount of purchasing is done using a procurement card system.

9. For fiscal year ended June 30, 2020, the College received $9,841,262 in its federal assistance programs. Of that amount, $7,308,125 was financial aid to students. The College is also the direct recipient of two federal grants, one from US Department of Commerce and one from US Department of Labor.

10. The College reports the Foundation for State Technical College of Missouri as a component unit of the College in its financial statements. A separate RFP is available for response for the audit of the Foundation.

11. The most recent audit report was issued by Evers & Company, CPA’s L.L.C. for the year ended June 30, 2019 (June 30, 2020 audit report is not yet finalized).

C. Nature of the Services Required

1. Render an opinion on the College’s general-purpose financial statements based upon an audit in accordance with generally accepted auditing standards.

2. Examine the College’s federal programs under the terms of OMB Circular A-133.

3. Present the audited financial statements and management letter at the semi-annual board meeting held in January.

4. Federal Audit Clearinghouse certification

5. Update the College staff on any GASB requirement that will affect the College.

6. Respond to questions from the College as needed regarding various business practices.

D. Reports to be issued

The auditor will provide an electronic version and, upon request, bound copies of the comprehensive report which will include the following:

1. Independent Auditor’s Report
2. Management’s Discussion and Analysis
3. Financial statements and notes to the financial statements.
4. Incorporate The Foundation for State Technical College of Missouri (a component unit of State Technical College of Missouri) statements into the audit report for the College.
5. Required Supplementary Information
6. Supplementary Information
8. Communication on Audit related matters
9. Management Letter

E. Working Papers

1. All work papers and reports will be retained, at the Auditor’s expense, for a minimum of five (5) years following completion of the audit.

2. For compliance purposes, work papers need to be available for review by authorized representative of federal, state, and local agencies to which the College is so obligated or by the College. In addition, the Auditor will respond to the reasonable inquiries of successor auditors and allow successor auditors to review work papers relating to matters of continuing accounting significance.

F. Conference Requirements

Prior to issuing the required audit reports, the partner and manager in charge of the audit engagement will conduct an audit exit conference with the College’s VP of Finance and meet with the President. It is expected that during the audit, the manager in charge of the audit engagement will hold progress meetings with the College’s VP of Finance.

H. Assistance to be provided to the auditor

1. The accounting staff and other personnel as needed, will be available during the audit to assist the auditor by providing information, documentation, and explanations. The preparation of confirmations will be the responsibility of the College.

2. The College will provide a work room and access to systems during the preliminary and year-end field work periods of the audit.

3. The College will prepare all draft financial statements, schedule, footnotes, and all information for the general-purpose financial statements.

I. RFP Requirements

Inquiries and questions should be made to:

Jenny Jacobs, VP of Finance: Jenny.jacobs@statetechmo.edu or 573-897-5147

Contact with the Board or personnel other than Jenny Jacobs or designee regarding the RFP shall be grounds for elimination form the selection process.

Submission of Proposals - One electronic copy of the completed response to the RFP shall be submitted to the College at jenny.jacobs@statetechmo.edu. Please type “Response to Audit RFP” in the subject line. The response must be received by 3:00 PM February 4, 2021. To facilitate a comparison, proposals should be organized in the following manner.

1. Title page - The title page should show the RFP subject, name of the independent auditor, local address, telephone number, name and title of the contact person, the date of submission, and the period for which the proposal is effective.

2. Table of contents - should show a clear and complete identification of the materials submitted by section and page number.

3. Letter of transmittal - this should be a signed letter briefly stating the firm’s understanding of the work to be done, commitment to perform the work within the required time period, and statement that the proposal is a firm and irrevocable offer.

4. Detailed Response following the order set forth below:

- Affirmative statement that firm is independent of the College as defined by U.S. generally accepted auditing standards
- Affirmative statement that the firm and all key professional staff are properly licensed to practice in Missouri
• An affirmation concerning the American Institute of Certified Public Accountants’ Interpretation 501-3, Failure to Follow Standards and/or Procedures or other Requirements in Governmental Audits
• Location of the office from which the work on this engagement is to be performed
• Description of the size of the firm and it’s governmental audit staff, the number and level of professional staff to be employed on this engagement on a full-time and/or part-time basis, and the number of hours to be assigned to each segment of the engagement
• Identify the principal supervisory and management staff, including engagement partners, audit managers, other supervisors, and specialists who would be assigned to the engagement including their educational and work backgrounds
• Provide information on circumstances and status of any disciplinary or litigation action taken or pending against the firm during the past three years with state regulatory bodies or professional organizations
• List significant engagements performed in the last five years that are similar to the engagement described in this RFP. For each engagement, indicate the name and telephone number of the principal client contact.
• Provide three professional references. Assume these references will be contacted if your firm is selected as a finalist. References should include at least one former client. For each reference provide name, title, phone number and email address of the principal contact.
• Provide a detailed audit approach that includes segmentation of the engagement and demonstrates an understanding of the audit requirement of a single audit as specified in OMB Circular A-133 and the audit test and procedures to be applied in completing the audit plan
• Detail the cost of the services including rates by partner, specialist, supervisory and staff level and hours anticipated for each, estimated out-of-pocket costs, and the resulting all-inclusive maximum fee for the work requested required for each of the years in the 5 year engagement

J. Evaluation Procedures

The following represent the selection criteria which will be used during the evaluation process.

1. Mandatory Elements
   • Independence
   • License to practice in Missouri
   • No conflict of interest
   • Adherence to the instructions in the RFP
   • Evidence of conducting other similar higher education audit
2. Technical Qualifications
   • Past experience and performance on comparable engagements
• Quality of professional personnel to be assigned to the engagement
• Provide assurance with regard to the continuity of staff assigned to the audit each year
• Adequacy of proposed audit approach and proposed staffing plan

3. Professional Fees
• Total firm, fixed price for contract period
• Rates for each staffing level and hours anticipated for each.

The College reserves the right to reject any and all proposals submitted. The College also reserves the right, where it may serve the College’s best interest, to request additional information or clarification from any respondent, to allow corrections of errors or omissions, or to discuss points in the response to the RFP before and after submission, all of which may be used in forming a recommendation. Responses will be reviewed by College staff. The staff will use a point formula during the review process to score responses. Only proposals that meet the RFP requirements as outlined in this RFP will be scored.

Formulas for the technical and fee scores:

The technical score will be based upon the following factors and points.
