

STATE TECH LIND, MO

HEATING, VENTILATION & AIR CONDITIONING

THE
EMPLOYERS'
CHOICE

\$49,960*
AVERAGE
EARNINGS

Degree Offered

- Associate of Applied Science

Potential Careers:

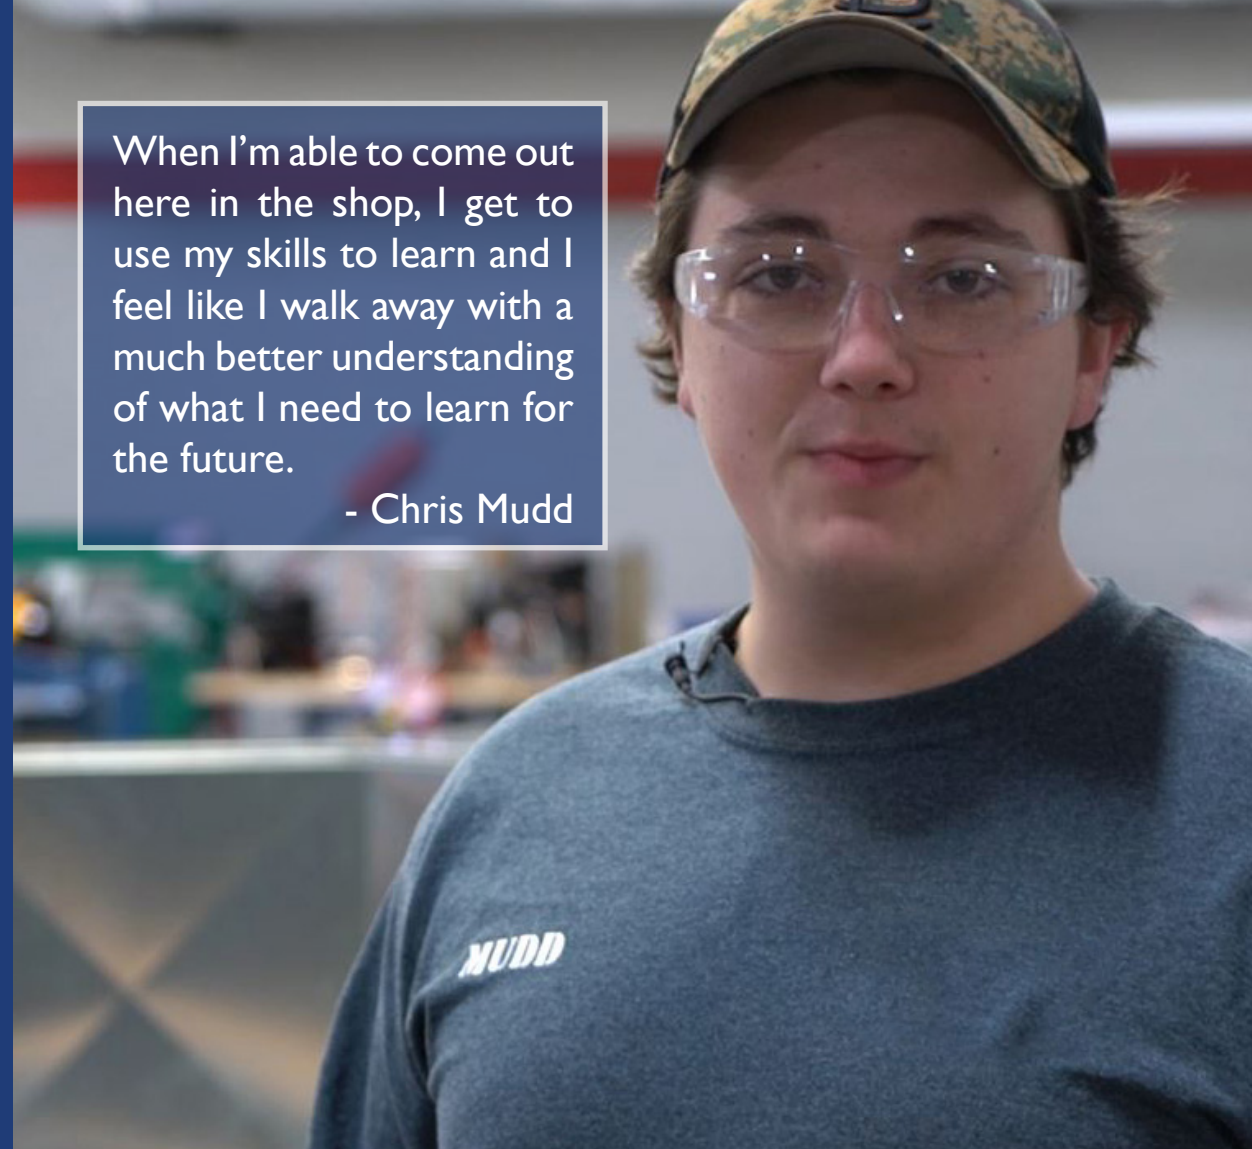

- Residential & Commercial HVAC Service
- Residential & Commercial HVAC Installation
- Commercial Refrigeration
- HVAC Controls

Program Highlights:

- Students will spend most of their time in labs learning thermodynamics, electrical motors and controls, troubleshooting and repair.
- Participate in a summer industry internship.

When I'm able to come out here in the shop, I get to use my skills to learn and I feel like I walk away with a much better understanding of what I need to learn for the future.

- Chris Mudd
