

STATE TECH LIND, MO

PRACTICAL NURSING TECHNOLOGY

THE
EMPLOYERS'
CHOICE

\$43,410*
AVERAGE
EARNINGS

Certificate Offered:

- Practical Nursing Technology

Potential Employers:

- Hospitals
- Physician Clinics
- Long-Term Care Facilities
- Home Healthcare Services

Program Highlights:

- 11-month program includes clinical site rotations within Jefferson City and the surrounding areas.
- Equips graduates with the technical and personal skills needed to help return patients to satisfying independent lives.

My family are all nurses and I always wanted to go into it as well, and State Tech seemed like a natural fit to get me heading in the right direction.

- Andrew Hamilton
